RE: Transfer of Ownership From Martin Marietta, ACT/023/004, to  
Southwestern Portland Cement Company

I have been in contact with Luis M. Nido, attorney for Southwestern Portland Cement Company. He has been inquiring about the proper channels to follow for transfer of ownership of the property from Martin Marietta to Southwest Portland Cement Company. I recently telephoned Lynn Findlay (U. S. Forest Service) and asked him for the latest correspondence they sent to Mr. Nido on May 25, 1984 (RE: transfer of ownership requirements for the USFS). I believe this information would be sufficient for our files when completed.

In addition, there is the matter of bonding. The surety arrangement made in May 1980 was essentially a cooperative agreement between the Division and Fishlake National Forest on this specific matter.

I am constantly pursuing the MOU with the USFS. However, if the MOU is not finalized soon, can an individual "cooperative agreement" be obtained?

Please advise.

Re: Transfer of Approved Plan of Operations

Dear Mr. Nido:

We received your letter of May 11, 1984 concerning the transfer of authorization to operate from Martin Marietta Corporation (MMC) to Southwestern Portland Cement Enterprises, Inc. (Southwestern). In order to complete your request we need:

- 1) a resolution from the Board of Directors of MMC authorizing the transfer;
- 2) a resolution from the Board of Directors of Southwestern authorizing acceptance of such transfer;
- 3) documentation, signed by an officer of MMC, which defines the responsibilities, properties, or whatever, that are being transferred to Southwestern;
- 4) documentation, signed by an officer of Southwestern, specifying that Southwestern accepts all responsibilities and obligations specified or otherwise included in:
  - a) the transfer;
  - b) the "Operations Plan" submitted to the Forest Service on 9/18/79 by MMC; and,
  - c) The Forest Service letter of approval, dated 3/14/80, for the above Operations Plan; and,
- 5) documentation signed by an officer of each MMC and Southwestern, stating the date the transfer will become effective and the date the transfer will terminate.

The signatures for MMC and Southwestern need to be notarized.

Please let us know if there are any questions. Thank you for your cooperation.

Sincerely,

/s/Ronald K. Tew
